WORKING SHEETS

Write the problem before the solution

A five-page brief you can complete with your team

Rupesh Kumar

Name a customer and a situation

- [ ] Specific customer group

- [ ] Situation that brings them here

- [ ] Task they need to complete

Put the evidence on the page

- [ ] What you observed
- [ ] Where and when you observed it
- [ ] Customer words, if recorded

Describe the difficulty

- [ ] Step where the customer gets stuck

- [ ] What they need at that moment

- [ ] Why the current approach falls short

Set the boundaries

- [ ] Constraint we must work within
- [ ] Change this work will cover
- [ ] Related work we will leave for later

Keep the uncertainty visible

- [ ] What the evidence cannot tell you

- [ ] Other plausible explanation

- [ ] Uncertainty to resolve first

Choose the next check

- [ ] Smallest useful test
- [ ] What would change our decision
- [ ] Decision owner and next review date
