Before you press *Share*

Make room for unfinished work.

Rupesh Kumar

They need another pair of *eyes*.

The work is still changing. The invitation should make that clear.

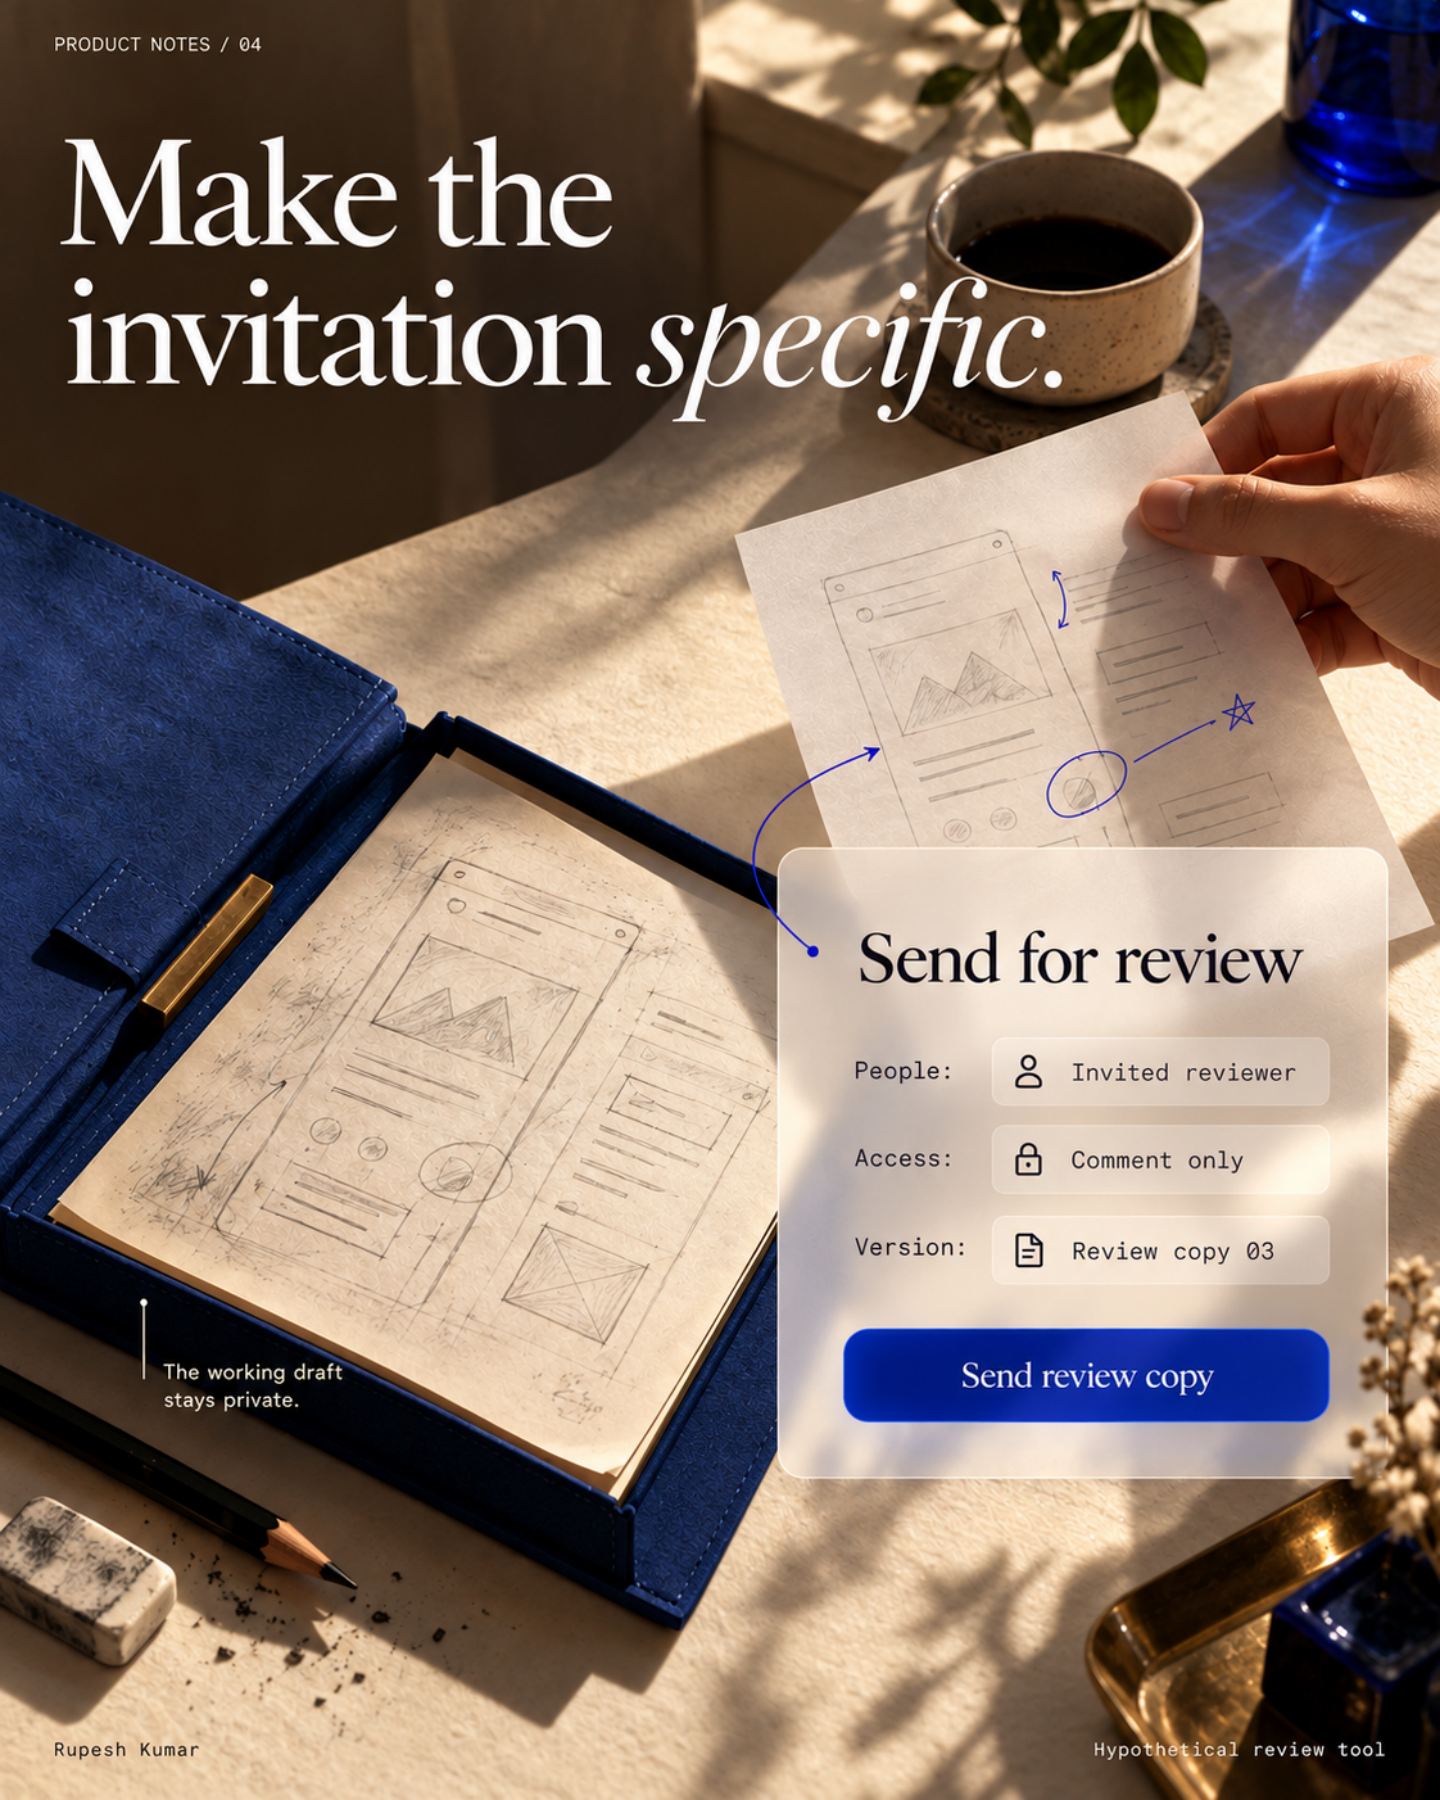

Share can mean very *different* things.

Choose the intention before drawing the control.

Make the invitation *specific.*

The next edit can stay *private.*

Show the owner which version the reviewer can see.

Rupesh Kumar

Hypothetical review tool

The copy can fall *behind*.

A frozen copy protects the working draft. It also needs a deliberate update.

v04
Working draft

Send updated copy

Which version are we *discussing*?
